**Saturday, 6/3, Noon – 4pm @ Harry S Truman School (at the Ice Cream Festival)**

You can download it and bring it to one of the locations below or you can mail it to the address below - *\*checks made payable to Salisbury Youth Association or SYA.*

**Skills & Drills** - This program is designed for tee-ball and first year minor's players. This program focuses on the basics and fundamentals of baseball in a fun and relaxed atmosphere. Batting, throwing, fielding and base running will be practiced using drills and scrimmages. This program runs twice a week from late July to the end of September/beginning of October (depending on weather). Hats and shirts are included in the \$50 registration.

**Fall Baseball** - The league levels will be organized to correspond with where a player will be playing next spring.

*Bidly – Can't turn 11 before 5/1/18, Midget – Can't turn 13 before 5/1/18, Knee-Hi – Can't turn 16 before 7/9/18*

There will be some travel involved – we will be playing many of the same organizations that we play in the spring from the Lehigh Valley League (LVL) and the Central Whitehall League (CWL). Fall Baseball emphasizes learning, building skills, and gaining experience in a fun, competitive environment. For our younger participants, it is an opportunity to get used to the slightly more competitive style baseball they will soon be seeing. Practices will begin around mid-July, and the season will conclude around the end of September or early October. Registration for Fall Baseball is \$70 and will have one fundraiser (\$60 buyout for anyone who prefers not to sell lottery tickets).
